PROCLAMATION

WHEREAS, the Township of Gloucester encourages the use of bicycles as a means of viable transportation; and

WHEREAS, the Township of Gloucester has made tremendous progress in its infrastructure with regards to the township bike paths, a multi-phase project, and addition of the Gloucester Township Bike Share Program; and

WHEREAS, the Township of Gloucester promotes and fully supports the use of bicycles in assisting to reduce traffic congestion and noise, in decreasing the use of and dependence upon finite energy sources, and promoting healthy habits and exercise for the residents of the township; and

WHEREAS, the Township of Gloucester is committed to providing a safe and friendlier place for people traveling on two wheels; and

WHEREAS, The Ride of Silence, a slow-paced bicycle ride to honor those injured or killed while cycling on public roadways began as a one-time event to honor a fallen bicyclist, is now an international phenomenon occurring globally as a quiet call to the public announcing that bicycle safety is the responsibility of all users of public roads; and

WHEREAS, the League of American Bicyclists has established May as National Bicycle Month, and the Mayor establishes May as Bicycle Safety Month which includes the Ride of Silence the 16th of May, 2018; and

WHEREAS, the Township of Gloucester proudly supports The Ride of Silence

NOW THEREFORE, BE IT RESOLVED, that I, David R. Mayer, Mayor of the Township of Gloucester, do hereby recognize

THE RIDE OF SILENCE

As an event to remind all residents to recognize that bicycles belong on public roadways and as motorists to commit to safely sharing our roadways with cyclists

Subject: Soliciting permit refund request.

To whom it may concern,

I never went to get my fingerprints done or follow up with any of the soliciting permit procedures after paying the $150. I'm requesting the refund because I will not have a need for it any longer as my company and I are moving to Boston, MA. Thank you for your cooperation. Look forward to hearing from you soon.

Spring Hill Drive Outfall Repairs

CES #2542-45

Dear Tom:

Consulting Engineer Services has completed our evaluation of the bids for the Spring Hill Drive Outfall Repairs project. The bids were opened, and the totals were read in public on March 28, 2018 at 10:20 A.M. at the Municipal Building, at 1261 Chews Landing Road. Three (3) bids were received for the project with total bid prices ranging from $175,660.00 to $276,978.00.

The total bid price of $175,660.00 submitted by Neri's Construction & Rental, Inc, is the lowest of the bids received. The lowest bid of $175,660.00 was more than the $162,080.00 engineer's estimate by an increase of $13,580.00. Although the construction price is over the Engineer's Estimate, the total of the NJEIT stormwater projects is under the total construction cost allocated in the loan, see attached budget construction cost comparison chart. We have attached a Bid Summary, Bid Tabulation Sheet, and the Engineer's Estimate for your records. The attached Bid Tabulation sheet illustrates we have checked the math on all bids and found no math errors in the bid documents of the lowest bidder. As stated in the specifications in the case of a discrepancy, the amount shown in words shall govern.

Neri's Construction & Rental, Inc, references and recent projects indicate that they are well suited to complete the work as required for this contract. Their available plant, equipment, manpower, and experience are adequate for the work.

CES has reviewed the bid package and Neri's Construction & Rental, Inc, has properly executed the Stockholder Disclosure Certification, attached the appropriate information to be provided by the bidder, and provided their Business Registration Certificate (BRC) and the required Bid Bond and Consent of Surety along with the other required mandatory bid documents.

Based on the above, we recommend award of the contract to Neri's Construction & Rental, Inc, subject to the following conditions:

CES #2542-48

Dear Tom:

Consulting Engineer Services has completed our evaluation of the bids for Pasadena Drive Stormwater Piping and Headwall Replacement project. The bids were opened, and the totals were read in public on March 28, 2018 at 11:20 A.M. at the Municipal Building, at 1261 Chews Landing Road. Three (3) bids were received for the project with total bid prices ranging from $129,261.75 to $268,190.00.

The total bid price of $129,261.75 submitted by Crown Pipeline, is the lowest of the bids received. The lowest bid of $129,261.75 was more than the $107,271.00 engineer's estimate by an increase of $21,990.75. Although the construction price is over the engineers estimate the total of the five (5) NJEIT stormwater projects is under the total construction cost allocated in the loan, see attached budget construction cost comparison chart. We have attached a Bid Summary, Bid Tabulation Sheet, and the Engineer's Estimate for your records. The attached Bid Tabulation sheet illustrates we have checked the math on all bids and found a math error in the bid documents of the lowest bidder. As stated in the specifications in the case of a discrepancy, the amount shown in words shall govern. All individual costs for the thirty-four bid items accurately compute the quantity and unit price. However, a math error was made in the total base bid price; an additional $1,100.00 was added to the sum of the thirty-four bid items. The award shall be made on the price in words. CES has discussed this with the contractor and they are in acceptance of completing the work at the price as stated on the bid form.

Crown Pipeline's references and recent projects indicate that they are well suited to complete the work as required for this contract. Their available plant, equipment, manpower, and experience are adequate for the work.

CES has reviewed the bid package and Crown Pipeline has properly executed the Stockholder Disclosure Certification, attached the appropriate information to be provided by the bidder, and provided their Business Registration Certificate (BRC) and the required Bid Bond and Consent of Surety along with the other required mandatory bid documents.

Four (4) bids were received for the project with total bid prices ranging from $78,783.00 to $229,905.00.

The total bid price of $78,783.00 submitted by R. Moslowski Excavating, Inc. is the lowest of the bids received. The lowest bid of $78,783.00 was less than the $142,499.00 engineer's estimate by a difference of $63,716.00. We have attached a Bid Summary, Bid Tabulation Sheet, and the Engineer's Estimate for your records. The attached Bid Tabulation sheet illustrates we have checked the math on all bids and found no math errors in the bid documents. As stated in the specifications in the case of a discrepancy, the amount shown in words shall govern.

R. Moslowski Excavating, Inc. references and recent projects indicate that they are well suited to complete the work as required for this contract. Their available plant, equipment, manpower, and experience are adequate for the work.

CES has reviewed the bid package and R. Moslowski Excavating, Inc. has properly executed the Stockholder Disclosure Certification, attached the appropriate information to be provided by the bidder, and provided their Business Registration Certificate (BRC) and the required Bid Bond and Consent of Surety along with the other required mandatory bid documents.

Based on the above, we recommend award of the contract to R. Moslowski Excavating, Inc. subject to the following conditions:

1. Review and approval of the bid documents, legal forms, sureties by the Township Solicitor. (We have copied the Solicitor with this letter and the apparent low bid package for his review).

Site Improvement Performance Guarantee Release
Our File # 0415P1125

Dear Ms. DiJosie:

At the request of the applicant, our office has conducted an inspection of the site improvements for the above-referenced project. Based upon our investigation, we recommend the release of the Performance Guarantee established in the amount of **$44,088.30** and the Cash Guarantee in the amount of **$4,898.70.00**. Prior to this release, we also recommend the activation of the Maintenance Guarantee in the amount of **$15,651.08**, representing 15% of the Construction Cost for the items covered by the Performance Guarantee. This amount is to be held for a period of two (2) years.

The release of the Performance Guarantee is contingent upon the payment of all-outstanding Remington & Vernick Engineers' Vouchers. If you should have any questions, please contact Steven D. Fini, Regional Field Supervisor, at 856-795-9595.

Sincerely,
REMINGTON & VERNICK ENGINEERS, INC.
