**REQUEST FOR PROPOSAL FOR HOSTING ONLINE TAX SALES
FOR THE TOWNSHIP OF GLOUCESTER
FOR A PERIOD OF ONE (1) YEAR**

The Township of Gloucester, Department of Tax is soliciting sealed proposals to host online tax sales for the Township of Gloucester. The Township conducts an accelerated tax sales per year. The contract shall be for a period of one (1) year from date of award.

Proposals should be in the form of a flat dollar to be charged for each item. For example \$1, \$5, \$10, \$15 or any amount in between.

REQUIREMENTS FOR ONLINE BIDDING PROCESS

The tax lien sale line items shall be publicly available on the vendor's website free-of-charge without requiring registration or membership prior to viewing. Bidding shall open no earlier than upon publication of the newspaper advertisement. Bidder registration shall be online and completed prior to submitting a bid (seven days prior to the tax sale).

Prior to placing a bid, each bidder must post a forfeitable deposit of 10% of the total amount to be purchased at the sale via ACH through the online vendor. A successful bidder who fails to make payment on lien certificates purchased shall forfeit the deposit amount to the municipality. The deposit must be held in the municipality's account and not that of the vendor. Any unused portion of the deposit must be returned to the bidder after the conclusion of the sale. The unused deposits shall be refunded automatically through the vendor's site by ACH.

The online tax sale platform shall also provide, at a minimum the following:

1. Detailed online instructions on how to utilize the website
2. The ability to obtain and electronically submit forms (w-9s, bidder information sheets)
3. A help desk for tax collectors and bidders through the internet, e-mail, and at least one toll-free number
4. A dedicated telephone hotline available for use by tax collectors until the sale's completion
5. Web-based training, including online tutorials, for both bidders and municipal officials responsible for administering the sale
6. A method by which bidders can practice bidding on the website
7. Available in-person training for municipalities, including a working demonstration of the website and overall system

8. Online display of winning bids immediately upon the auction's completion
9. Notification to winning bidders by email at the bidder's registered e-mail address
10. Provision of the electronic transfer of information and data to and from the municipality, including access for the tax collector to remove and update the tax lien sale list in real time
11. A transaction log for the tax collector to review of all bid submissions and results, along with a detailed history of all funds transferred
12. A standard complaint procedure for both the municipality and bidders, with a complaint log maintained by the vendor and available for the municipality's inspection.

The tax collector shall have the discretion to select either direct or proxy bidding for the online sale. In a direct bid auction, participants enter a bid for an item at either a specific rate of interest (0% up to 18% in increments of 1 %), or a specific dollar amount the bidder is willing to pay as a premium (in increments of \$100), with the successful bidder awarded the lien at the bid entered. Participants in proxy bid auction enter their lowest acceptable interest rate or highest acceptable premium for an item. The auction system monitors all other bids and enters competitive bids on the bidder's behalf at an interest rate increment lower than what would become the next lowest bid. If the interest rate is bid down to zero, and the bidder has entered a maximum premium amount, the system will enter competitive on the bidder's behalf at the next increment higher. The system stops entering bids on your behalf when you either win the auction or your minimum interest rate or maximum premium bid is reached.

All liens shall be auctions individually, such that a bid will be place on each lien with a winning bidder determined for each lien; bulk sale of liens is prohibited. Bid amounts shall not be visible to the public or to the municipality while the auction is in progress. No officer, employee, or independent contractor of the vendor may participate in the auction. All bid information and participant financial data is deemed property of the municipality.

The online tax sale platform shall enable the tax collector to accept and process ACH and wire payments as well as certified checks or cash. If the tax collector accepts certified checks or cash payments, the tax collector must immediately input data into the online tax sale

system to reflect any such payment. Successful bidders must make full payment for liens within close of the business day of the tax sale.

The vendor shall notify all registered bidders of any properties that become available again for bidding due to non-payment by a successful bidder. If the parcel is resold, interest shall be recalculated to the new sale date.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractor for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agree that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
