Paper Bag Pumpkin Patch

This Halloween pumpkin patch is in the bag for kids! It's a quick, easy craft for holiday fun.

Supplies:

- Crayola Crayons
- Crayola Scissors
- Newspaper
- Crayola Construction Paper
- Upcycled Paper Bags
- Crayola No-Run School Glue

Steps:

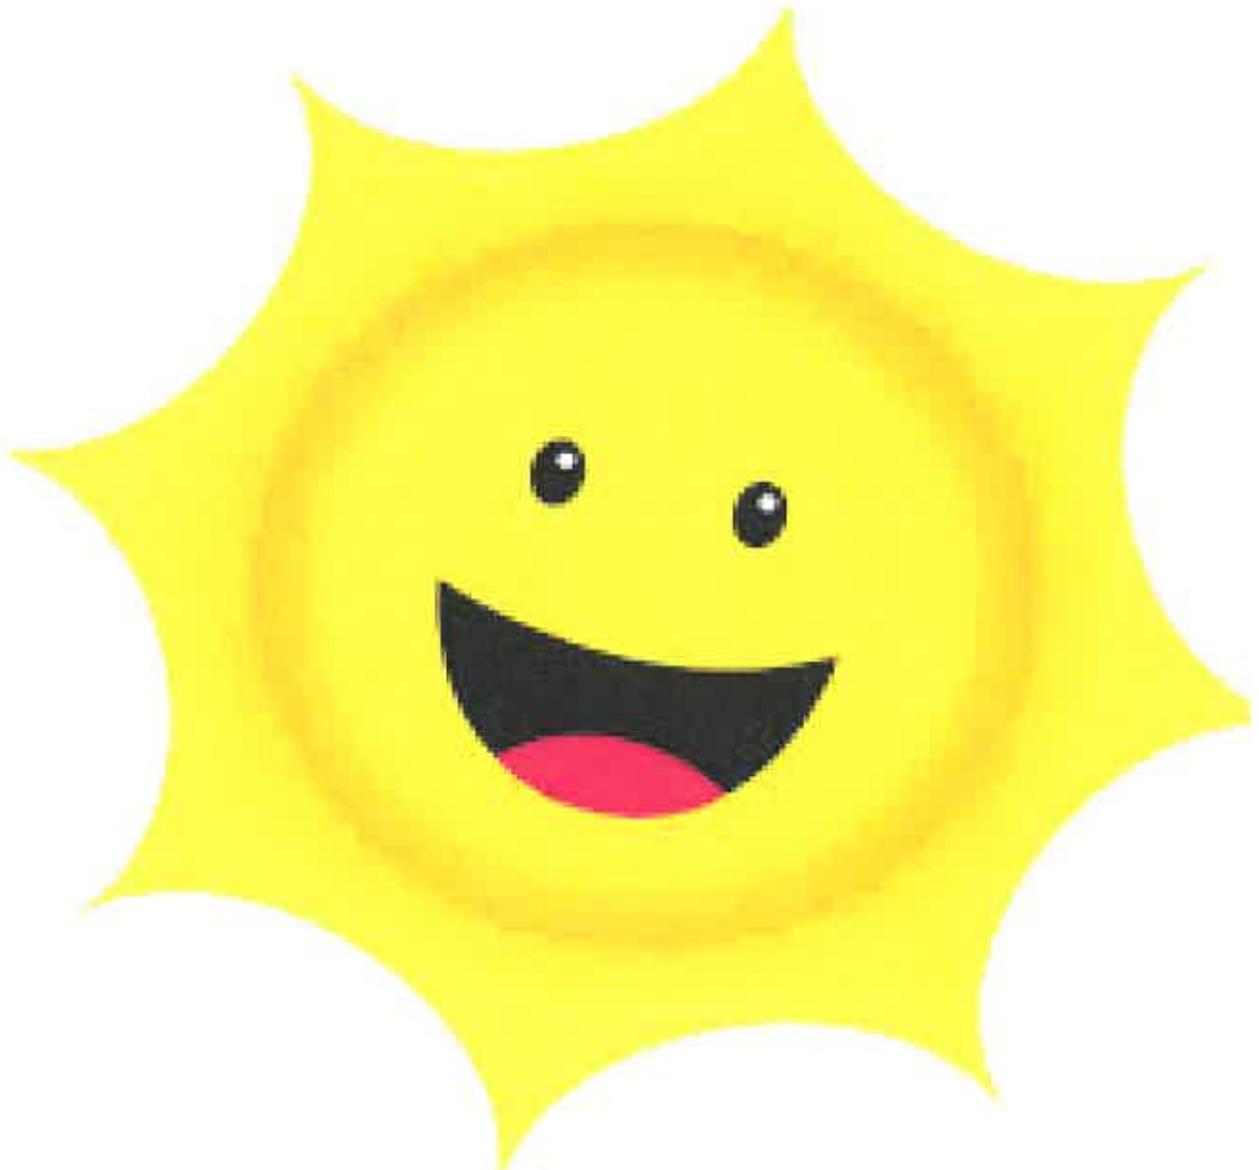

1 Use Crayola® Crayons to color the tops of paper lunch bags green or brown for pumpkin stems. Color the rest of the bags in pumpkin colors (oranges, browns, yellows, and greens). For a textured effect, remove the paper crayon wrappers. Place bags on top of textured surfaces and rub with the side of the crayon. Layer colors for a deep pumpkin look.

4 Add cut-paper vines and leaves to display with your field full of plump pumpkins.

2 Open up your colored bags and fill with lightly crumpled recycled newspaper. Twist tops closed at the stem bottoms.

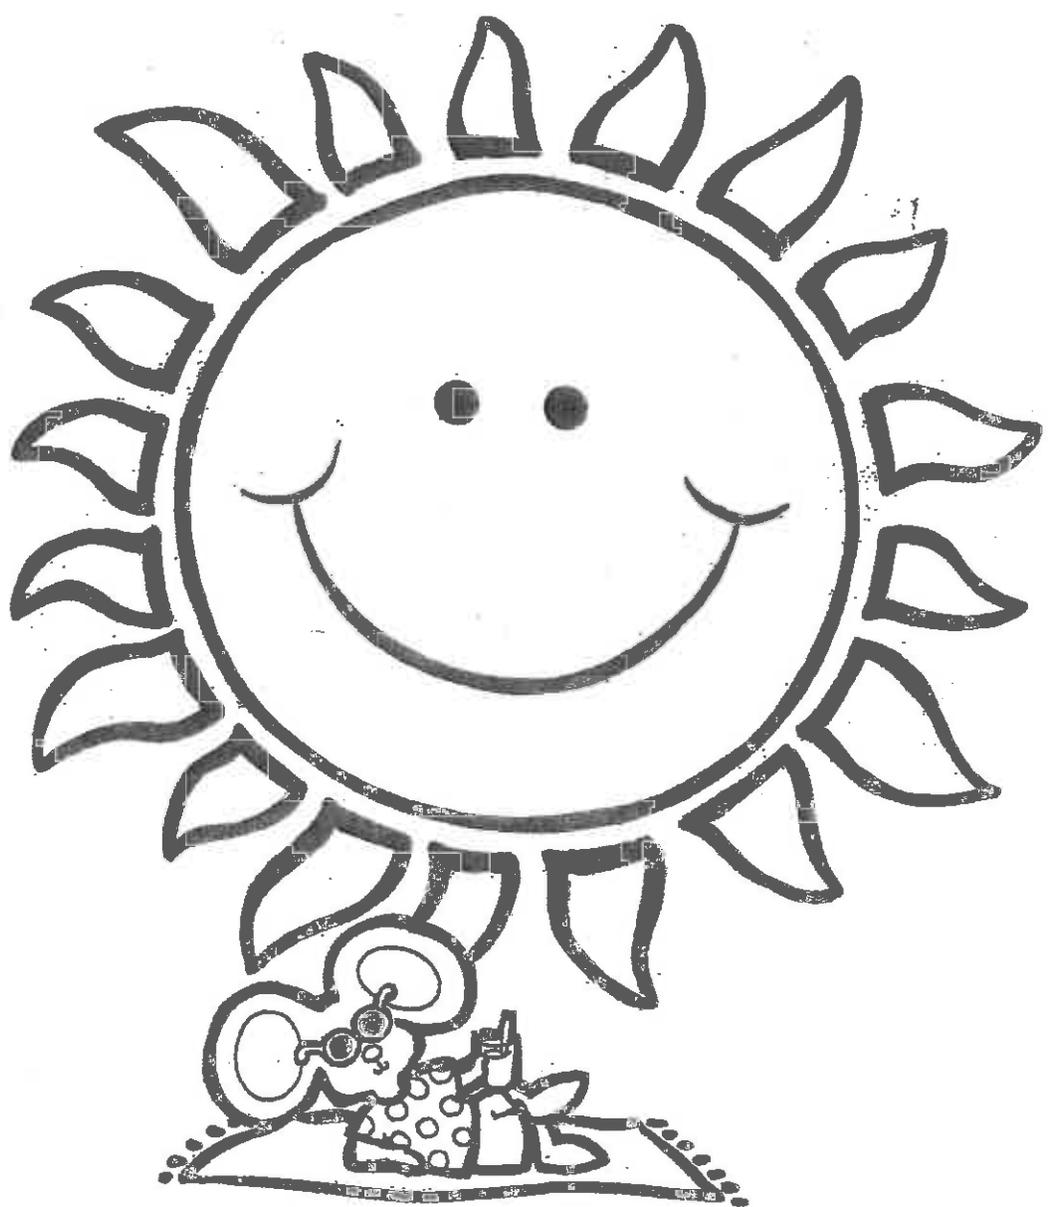

3 If you wish, make eyes, a nose, and a mouth for Halloween jack-o'-lanterns. Cut facial features from construction paper or white paper colored with dark crayons. Glue in place with Crayola School Glue.
