 Zoned: NC

Conditional Use
 Block: 7101 Lot: 2 &3
 Location: 920 E. Blenheim Ave.
 Blackwood, NJ
 Using warehouse as a spill
 Over location for auto-repair shop

NOTES:

Renee Bergmann Esq. approached the podium representing Dr. Dan's Auto & introduced Mr. Lynch who owns the auto repair shop. Mr. Lynch was sworn in. Ms. Bergmann gave brief background history of Dr. Dans Auto that was historically owned by Mr. Lynch. Dr. Dan's Auto was a typical auto repair and maintenance shop in that it only repaired autos and light duty trucks with no storage of non-working vehicles. He employees 3 mechanics and is currently out of space at the current property unable to service his customers. The application for the proposed use of 920 E. Blenheim Ave. is a light industrial complex vacant unit directly across from his current location. Ms. Bergmann continued to state that he is seeking a conditional use variance at the proposed site as his secondary location for his auto repair shop where no customers,

no administrative staff, no signage will be present just auto technicians performing repairs. This location is just extra space for his business.

Ms. Bergmann asked if the Board had any questions.

Seeing none she proceeded to question Mr. Lynch on operational history.

Ms. Bergmann provided Aerial view as Exhibit A1 & renderings of the Bays as Exhibit: A2. She questioned Mr. Lynch on the property.

Mr. Lynch expressed the overall reason for the Variance was due to increased business in which the current location was unable to handle. He stated, in obtaining the extra space, he could adequately handle a larger customer base and provide a cleaner looking business. There were no other feasible properties within the area.

Mr. Boraski corrected Ms. Bergmann that the terminology was not a Variance but "Conditional Use".

Mr. Lechner stated that this property was an approved use but wanted to know what would be done with the waste fluids.

Mr. Lynch stated, they are a 100% recyclable facility disposal as usual but smaller volume at this location for the jobs that take longer to complete.

Chair McPherson requests a motion to adopt the application.

Associated improvements

NOTES:

Mr. Del Luca Esq. approached the podium representing the applicant Lidl, LLC who introduced his team:

Adam Hendricks- Lidl Employee, Ben Crowder – Civil Engineer for Lidl in NJ, John Harter – Traffic Engineer,

Chelsea Lawson – Architect & Creigh Rahenkamp – Professional Planner.

Mr. Del Luca introduced renderings of the property as Exhibits that described various property aspects.

The property is about five acres of four different parcels in which the applicant will acquire 3.66 acres shown in the aerial exhibit. The property owner will retain 1.81 acres for later development.

Mr. Del Luca continued to describe the properties location in relation to surrounding roadways and the logistics of the company. The proposed store will comprise of

31,042 sqft. as a typical Lidl grocery store shown on the color rendered site plan exhibit A2. Mr. Del Luca continued to describe the buildings orientation to its surroundings. He mentions that the applicant is looking for a minor sub division of the lots and a major/minor site plan approval with minimal Variance relief for a 25' buffer and Signage. Mr. Del Luca introduced Mr. Crowder a Civil Engineer who was sworn in and recognized as a professional.

Mr. Crowder proceeded to give an overview of the Exhibits that described various aspects of the site project.

He reiterated the lot size, stating there is 500ft. of frontage on both Black Horse Pike and Lakeland Road.

Access to the site will be off each of these roads with 500 ft. off corner providing an unobstructed throat.

There is a Corner Vestibule with parking spaces aimed at that entrance. There will be 145 spaces more than is required by ordinance with larger stall sizes of 10ft.

Mr. Del Luca interrupted sighting Ordinance Section 510 Subsection M7 to clarify the Waiver they are looking to obtain.

Mr. Crowder continued by explaining the loading dock area. They were seeking a design waiver to construct one loading bay instead of two since deliveries are anticipated and would be by one truck once a day. The recyclable trash would be taken away by the delivery truck and small trash receptacle for normal trash pick-up.

Mr. Crowder spoke about the properties storm water management. They proposed underground infiltration basin system underneath the parking lot to handle the runoff of the impervious areas. The basin is 5' deep and buffered with fencing and shrubbery. He also noted that there is shallow seasonal high water that reduces the required high ground water mark. Ground fill will be brought in to elevate the ground level meeting the required ground water separation.

The 25' buffer area will have a 30' depression to allow the natural runoff from adjacent property to drain into the system. The amount of shrubbery to be planted was discussed along with lighting, walkway and signage.

Mr. Crowder requested a site Waiver for moving the property line, grading along property line, lighting line spill over and Variance for free standing signs.

Mr. Del Luca asks Mr. Crowder to clarify some questions from the Board letter. They discussed the bus stop on the corner, utility poles along the frontage and water runoff from the roof.

No questions from the Board at this time.

Mr. Del Luca introduced John Harter Civil Engineer for the company was sworn in and recognized as professional. Mr. Del Luca questioned him on the traffic patterns and analogy of the studies. Mr. Harter stated the studies focused on intersections and cross streets. The study included Black Horse Pike, Church Street, Lakeland Ave and Fairmont Ave. The study was done during morning peak hours. There was no problem cueing onto major roadway but discussed improvement on Church Street to improve level of service.

The site design and parking area are safe. There is No impact on traffic in the area. No questions from the Board.

Mr. Del Luca introduced Creigh Rahenkamp Professional Planner was sworn in and recognized as professional.

He explained that the design is very appropriate for this property. The waivers needed fit specific use to this property within the redevelopment plan. He discussed the basin and buffer area and appropriateness of building signage. He noted there are No detriments to the grading Variances.

There were No questions from the Board.

Mr. Lechner discussed questions in the Board letter to applicant applicable to (i.e.: bus stop, sidewalk, access to north lot & easement & drainage basement landscaping). Mr. DiRosa recognized that the applicant agreed to all the comments in the Board letter. Mr. DiRosa discussed the following three items for clarification: trash enclosure, storm water basin, access easement & traffic of residential roads.

Chair McPherson asked for Board comments

**A RESOLUTION OF THE GLOUCESTER TOWNSHIP PLANNING BOARD
MEMORIALIZING APPROVAL OF CONDITIONAL USE
FOR DOCTOR DAN'S AUTO
APPLICATION NO.: 201022CU**

WHEREAS, on August 25, 2020, the Gloucester Township Planning Board ("Board") gave consideration to the application of Doctor Dan's Auto (hereinafter "Applicant") seeking permission for an auto service facility and vehicle storage businesses at the property located at 920 E. Blenheim Avenue, identified on the Tax Map for the Township of Gloucester as Block 7101, Lots 2 & 3 (hereinafter "Property") located in the Township's Neighborhood Commercial Zoning District ("NC Zone") and the Apartment Zoning District ("APT Zone") for minor site plan approval in accordance with the requirements of the Land Development Ordinance of the Township of Gloucester (hereinafter "LDO"); and

WHEREAS, at the Applicant's public hearing, Ms. Renee Bergman, Esq., appeared on behalf of the Applicant, and presented the following witnesses: Mr. Daniel J. Lynch, owner of the applicant, who was sworn in and testified in support of the Application; and

WHEREAS, Ms. Bergman introduced the following exhibits: Exhibit A1 – Color Overhead View of the Property; and Exhibit A2 – Proposed Floor Plan; and

WHEREAS, Mr. Lynch testified that the proposed use is across the street from the present location of the business, which is generally zoned for light industrial use; that he has been in business many years and need the additional property across the street for overflow work; that no customers will be going to the property across the street from his existing business; that there will be no long term storage of vehicles; that the hours of operation will be the same as the existing business and building, typically 8 AM to 5 PM during the week; and that there will be no additional exterior signage proposed for the Property; and

WHEREAS, the Board Planner, Kenneth D. Lechner, PP, AICP, presented and discussed his August 12, 2020 Review Letter ("Planning Review Letter"), incorporated by reference as if set forth fully herein, with the Applicant and Applicant's witnesses, and the Applicant agreed as a condition of approval to comply with all comments and recommendations contained therein as stated and agreed upon the record by the Applicant; and

WHEREAS, the Board and Board Professionals questioned and discussed with the Applicant several specific proposed improvements to the Property and additional details regarding the Applicant's proposed use; and the Applicant confirmed he is able to meet all conditions established by the LDO to permit the proposed auto service facility and vehicle storage business at the Property; and

WHEREAS, the meeting was opened to the public, and no members of the public appeared to testify; and

WHEREAS, the Planning Board having received reports from professionals and other advisors to the Board including, without limitation, the Zoning Officer, Board Engineer,

Board Planner, County Planning Board, Traffic Commander, Fire Marshall, Tax Assessor, Water Department, and Municipal Utilities Authorities, and having heard testimony from the Board Planner and Board Engineer, makes the following factual findings and conclusions of law in approving the subject application for conditional use approval:

1. **Incorporation by Reference of "WHEREAS" Clauses.** In addition to the paragraphs below, the above "WHEREAS" clauses are expressly adopted and incorporated by reference herein as the Board's Findings of Fact and Conclusions of Law, as appropriate.
2. **Applicant and Property.** The Applicant is Doctor Dan's Auto. The Property is known as 920 E. Bleinheim Avenue, identified on the Tax Map for the Township of Gloucester as Block 7101, Lots 2 & 3. The Property is located in NC Zone.
3. **Notice.** To the extent required, public notice of the hearing was provided in accordance with the requirements of the Municipal Land Use Law, N.J.S.A. 40A:55D-12.
4. **Requested Relief.** The Applicant seeks condition use approval to permit the use of the Property as an auto service facility and vehicle storage business.

Proposed Use. The use of the Property as an auto service facility and vehicle storage business is permitted as a conditional use in the NC Zone where the following conditions of LDO § 415.D.1. are satisfied:
 - a. the minimum lot size shall be one acre.
 - b. motor fuel pumps shall be a minimum of 28 feet from a right-of-way line.
 - c. the closest portion of a motor fuel canopy shall be a minimum of 20 feet from a right-of-way line.
 - d. no such use shall be permitted on Lower Landing and Little Gloucester Roads.
 - e. the requirements of §507.B. must be met with the exception that the buffer shall be 35 feet.
 - f. General standards set forth at LDO § 706.
5. **Variations & Design Waivers.** The Application does not require any variations nor any design waivers from the LDO's bulk and design requirements.
6. **Planning Review Letter.** The Board Planner, Kenneth D. Lechner, PP, AICP, issued a report dated April 11, 2020, incorporated by reference as if set forth fully herein, recommending certain revisions, clarification, and/or modifications to the plans with which the Applicant agreed to comply unless otherwise outlined or

modified further herein, or to the extent that they had not been addressed through testimony.

7. **Public Testimony.** No members of the public appeared to testify during the Applicant's public hearing.
8. **Decision on Conditional Use.** In light of the testimony and evidence submitted by the Applicant, the Board's Professionals, and members of the public, if any, the Board determined that the Applicant has demonstrated compliance with all required conditions and standards established by LDO Section 415.D.1 and Section 706 specific to the Applicant's proposed auto service facility use; accordingly, the Applicant is therefore entitled to the requested relief to permit the use of the Property as an auto service facility. N.J.S.A. 40:55D-67; Jackson Holdings, LLC v. Jackson Township Planning Board, 414 N.J. Super. 342 (App. Div. 2010).

NOW, THEREFORE BE IT RESOLVED, after considering the foregoing facts, the Board further concludes that the Applicant has demonstrated that the Application will not have a deleterious effect upon the neighborhood, and has satisfied the standards necessary for approval and should therefore be approved subject to the specific and standard conditions stated herein and on the record; and

WHEREAS, a motion was duly made and seconded to **APPROVE** the Application as set forth above, and a roll call vote on the motion was recorded as follows:

Those Eligible to Vote	Those in Favor	Those Opposed
Chairperson MacPherson	X	
Councilman Hutchinson	X	
Ms. Botsford	X	
Mr. Englebert	X	
Ms. Marks	X	

IT IS FURTHER RESOLVED, the above relief is subject to the following conditions:

1. The Applicant shall comply with all terms, conditions, and recommendations contained within the Board Professionals' Review Letters as agreed to on the record by the Applicant.
2. That the Application, all exhibits, testimony, map, and other documents submitted and relied on by the Applicant, are true and accurate representations of the facts relating to the Applicant's request for approval. In the event that it is determined by the Board, on non-arbitrary, non-capricious and reasonable grounds, that the Application, exhibits, testimony, maps, and other documents submitted are not accurate, are materially misleading, or are the result of mistake, and the same had been relied upon by the Board as they bear on facts which were essential in the granting of the relief sought by the Applicant, the Board may

review its approval and rehear the Application, if circumstances so require, or where a rehearing is necessary and appropriate in the interests of justice.

3. Upon discovery by the Board of clear and convincing evidence of a materially misleading submission, material misstatement, materially inaccurate information, or a material mistake made by the Applicant, the Board reserves the right to conduct a hearing with the Applicant present, for the purpose of fact-finding regarding the same. Should the facts at said hearing confirm that there had been a material fault in the Application, the Board shall take whatever action it deems appropriate at that time, consistent with the MLUL and case law, including but not limited to a reconsideration of its prior approval, a rehearing, a modification of its prior approval, or such other action as appropriate. In addition, at any time within 45 days after the adoption of this resolution, a party of interest may appeal to the Superior Court for an order vacating or modifying any term or condition as set forth herein.
4. The Applicant shall indemnify and hold the Township harmless from any Claims whatsoever which may be made as a result of any deficiency in the Application, or as to any representations made by the Applicant, including but not limited to proper service and notice upon interested parties made in reliance upon the certified list of property owners and other parties entitled to notice, said list having been provided to the Applicant by the Township pursuant to N.J.S.A. 40:55D-12(c), and publication of the notice of public hearing in this matter in accordance with the law.
5. The relief as granted herein is subject to the discovery of any and all deed restrictions upon the Subject Property which had not been known or had not been disclosed to the Board, but which would have had a materially negative impact upon the Board's decision in this matter had they been so known, or so disclosed.
6. The Applicant must obtain approvals from any and all other governmental and/or public agencies as required, whether federal, state, county, or local, over which the Board has no control but which are necessary in order to finalize and/or implement the relief being granted herein, as well as any construction that may be a part of said relief. The Applicant is solely responsible for determining which governmental and/or public agencies, if any, such approvals are required.
7. The Applicant is further required to submit a copy to the Board's Secretary of all approvals and/or denials received from such outside agencies, with a copy thereof to the Board's Solicitor, Engineer, and Planner.
8. The Applicant must pay the costs of all professional review and other fees required to act on the Application, pursuant to the applicable sections of the Township's land development ordinances, zone codes, any other applicable municipal codes, and the MLUL.
9. The Applicant assumes all risks should the Applicant fail to obtain any other construction or other municipal permits required with respect to the relief as granted herein during the statutory appeal period associated with the language of this resolution.

10. The Applicant must obtain any other construction or other municipal permits required with respect to the relief as granted herein.
11. The Applicant shall comply with all of the representations and stipulations as contained in the application and as represented through testimony in support of the application.

III. WAIVER COMMENTS

The Applicant has requested a waiver from Site Plan Review as per §801.A(3). The applicable Land Development Ordinance states the following:

“The approving authority may waive the requirement of site plan approval whenever it determines that the proposed development, alteration, repair, or change of use or occupancy does not affect the existing condition of the lot or premises, including: topography; vegetation; drainage; flood plains; marshes and waterways; open space; walkways, means of ingress and egress; utility services; landscaping; structures; signs; lighting and screening devices; and other considerations of site plan review ...”

IV. VARIANCES COMMENTS

The instant application doesn't require any variances.

V. SITE PLAN WAIVER COMMENTS

It's recommended the Planning Board consider an application for site plan approval to address the following Land Development Ordinance requirements:

1. Site lighting at the following locations to ensure safe movements of pedestrians and vehicles as per §508, Lighting.
 - a. Entrance from the Black Horse Pike.
 - b. Parking areas.
 - c. Pedestrian walkways from parking areas to front building entrance on Sixth Avenue.
2. Paved driveways and parking areas as per §510, Off-Street Parking.
 - a. The entire site and adjacent properties are overlain with crushed stone with no apparent identification of property boundaries and land uses.
3. Provide a masonry trash enclosure as per §510.L, Refuse/Recyclable Storage Areas.
4. Concrete curb and sidewalks as per 516, Sidewalks, Curbs, Gutters, & Pedestrian Ways.
 - a. A substantial amount of the existing concrete curb and sidewalks are in significant disrepair and should be replaced.

VI. GENERAL COMMENTS

1. It's recommended the Applicant provide building elevations for the proposed apartment buildings.

VII. LAND DEVELOPMENT ORDINANCE COMMENTS

The Applicant is advised of the following additional requirements of the Land Development Ordinance:

1. *A soil removal plan if soil is to be removed from the site for use or sale other than the premises subject to this application as per §801.C, Soil Removal.*
2. *A grading plan prepared and sealed by licensed professional engineer as per §814, Grading Approval.*
3. *Affordable housing requirement as per §902, Affordable Housing Fees and Procedures.*
4. *Before recording final subdivision plats or as condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to N.J.S.A. 40:50D-65d the furnishing of a performance guarantee, maintenance guarantee, and inspection fees as per §903, Guarantees and Inspections and §904, Certification or Guarantee Required; Estimate of Guarantee.*
5. *Requirements precedent to construction as per §905, Pre-conditions to Commencement of Construction.*
6. *Construction of off-tract improvements as per §906, Off-Tract Improvements Recapture.*
7. *A zoning permit is required prior to the issuance of any construction permits and prior to the issuance of a Certificate of Occupancy by the Construction Official the Applicant must acquire a Certificate of Zoning Conformity from the Zoning Officer*

as per §1102, Permits, General, §1103, Zoning Permit and §1104, Certificate of Zoning Conformity.

VIII. RECOMMENDATIONS

1. The applicant must address the underlined items listed above.

I have no further comments regarding the application at this time. Should the Applicant have any questions or wish to schedule a meeting to review our concerns, please contact our office at (856) 374-3511.

PROJECT SUMMARY:

This application is for the conversion of a mixed use building into two (2) residential apartments. The property is a 15,037 sf lot located on the northeasterly corner of Black Horse Pike (US Route 168) and Sixth Avenue in the Township's CR (Commercial/Residential) Zoning District. There currently exists on site a single family residential dwelling to remain undisturbed and an attached single story commercial building that the applicant intends to rehabilitate into two (2) 2-bedroom apartments. The applicant proposes to remove existing paving and concrete from the site and replace with grass and landscaping within gated back yards for each unit and provide two (2) new concrete walkways to each of the apartment front entrances. The applicant is requesting Conditional Use and Site Plan Waiver approval.

REVIEW COMMENTS:

Based upon our review of the information provided by the applicant and a site investigation by our office on September 9, 2020, we offer the following comments:

1. The plan shall provide a detail of the proposed fence and gate.
2. Concrete wheel stops shall be provided for the proposed parking spaces. A detail of the wheel stop shall be shown on the plan.
3. The applicant shall provide testimony regarding trash storage and disposal for the apartment units.
4. The applicant shall replace any concrete in disrepair along either street frontage and the plan shall clearly delineate the limits of sidewalk replacement on the plan. A concrete sidewalk detail shall also be shown on the plan.
5. Standard demolition notes shall be added to the plan for all existing site features to be removed or demolished.
6. Our office recommends the existing stone driveway and parking area be overlaid to eliminate any pot holes or other areas of disrepair.
7. The applicant shall provide testimony regarding existing and proposed site lighting.

OUTSIDE AGENCY APPROVALS:

This plan set may be subject to the review and approval of the following outside agencies. Evidence of these approvals must be submitted to the Township Planning Department and this office prior to the final signature of plans:

1. Camden County Planning Board
2. Gloucester Township Fire Marshal
3. Camden County Soil Conservation District
4. New Jersey Department of Transportation (NJDOT)
5. Any other as may be necessary

Any and all approvals shall be conditioned upon the applicant addressing the above comments and any and all concerns of the Planning Board contained in the approving resolution.

When plans are resubmitted, they are to be accompanied with a point-by-point response. We reserve the right to make additional comments pending the receipt of revised documentation.

II. REDEVELOPMENT PLAN & PLANNING ANALYSIS COMMENTS

The following applies to the New Vision Redevelopment Plan and Planning Analysis, as noted.

Section IV. Objectives

1. The Applicant should provide testimony to the Planning Board on how the proposed redevelopment project addresses the following objectives of the New Vision Redevelopment Plan:
 - A. Prevent further deterioration of the built environment.
 - B. Promote the overall development of the community.
 - C. Foster physical development that will be most conducive to the social and economic improvement of the Township and the region.
 - D. Encourage the highest and best use of land and property.
 - E. Facilitate full utilization of the land.
 - F. Improve the physical and functional layout of the study area and remove impediments to land use consistent with the zone plan.
 - G. Require adherence to the highest design standards.
 - H. Strengthen social, economic and development patterns.
 - I. Increase economic opportunities in the Township of Gloucester.
 - J. Improve the health and welfare of the residents of the Township
 - K. Advance public-private partnership efforts for the improvement of the economic environment.

Section IX.1.0, Zone Plan and Zoning Regulations

2. The subject parcel is located within the NVBP – New Vision Business Park District as per §IX.1.0, New Vision Business Park District (NVBP).
 - a. Retail sales and services as a component of a Planned Commercial Development is a permitted use within the New Vision Business Park District [§IX.1.0(D)(4)(c)(iv)].

Land Development History

- i. The instant application is a component of the existing Gloucester Town Center, which was originally developed under the former BD-1, Business Development Zone of Ordinance O-83-26A. The subject parcel and surrounding area was established as a redevelopment area under the

Local Redevelopment and Housing Law with the approved New Vision Redevelopment Plan by ordinance O-02-30 adopted August 12, 2002.

1. The above referenced ordinance O-83-26A was replaced in its entirety by ordinance O-03-03 adopted on January 23, 2003 following the adoption of a new Township Master Plan.
- b. Planned Commercial Development is also a permitted use within the New Vision Redevelopment Plan [§IX.1.0(D)(4)].
- c. The Planning Board should note the New Vision Redevelopment Plan amended by Ordinance O-16-07, adopted May 23, 2016 does not rely on traditional bulk and setback standards.
 - i. However, the applicant is required to satisfactorily address their proposed layout.
 1. It's recommended the Applicant provide professional testimony to the Planning Board regarding the proposed lot size (area – frontage – depth), building setbacks, building and lot coverage are appropriate for the instant application; the layout is within recognized best management practices for site design for the proposed use; and, the overall development is substantially consistent with the objectives of the New Vision Redevelopment Plan.

Section IX.1.0(K), Off-Street Loading and Parking Standards

3. It's recommended the Applicant provide professional testimony to the Planning Board addressing off-street loading space and the adequacy of the proposed number of parking spaces to meet the expected demand of the commercial development as per §IX.1.0(K), Off-Street Loading and Parking Standards.
 - a. The Planning Board is advised the New Vision Redevelopment Plan does not rely on the Land Development Ordinance parking requirements and defers compliance to professional testimony of the applicant based on their expertise, professionals, and recognized design considerations current to the time period and land uses.
 - i. However, the Planning Board should note the Gloucester Township Land Development Ordinance would require at least 23 parking spaces; the instant application provides 24 parking spaces.

Section IX.1.0(L), Additional Requirements

4. The instant application proposes public water and sanitary sewerage facilities to be provided as per §IX.1.0(L)(1).
5. The Applicant should provide testimony addressing the proposed building architecture is "compatibly designed ... and suitably finished for aesthetic purposes" in its relation to elevations facing a street or residential areas as per §IX.1.0(L)(2).
6. The plan shall be revised to provide a landscaped plan signed and sealed by a NJ Licensed Landscape Architect as per §IX.1.0(L)(3).
7. The Applicant should provide testimony addressing the proposed façade and free-standing signs are suitably sized and designed for the proposed development and consistent with Section IV, Objectives of the New Vision Redevelopment Plan as per §IX.1.0(L)(7).

8. *The preliminary and final major site plan includes pedestrian walkways and crosswalk at the following location to improve pedestrian access as per §IX.1.0(L)(8).*
 - a. *From Williamstown Road to the proposed concrete walkway on the north side of the building.*
9. The Applicant provide professional testimony to satisfaction of the Planning Board that the proposed lighting plan is suitably designed for the proposed land use and provides adequate illumination as per §IX.1.0(L)(9).
10. The Applicant should provide testimony addressing the proposed building is "architecturally appealing" and advance the scenic vistas and viewsheds of the development and Township as per § IX.1.0(L)(10).

V. WAIVER COMMENTS

The instant Application requests a waiver from the following checklist items.

1. Four (4) copies of the Environmental Impact Statement (See §816) [Checklist #5].
2. Environmental Constraints Map (See §519). [Checklist #108].

VI. VARIANCE COMMENTS

The typical bulk and setback variances are not part of applications within the New Vision Redevelopment Plan.

Generally, applicants must comply with the goals and objectives of the redevelopment plan regarding land uses and architectural considerations to the satisfaction of the Redevelopment Entity and site development to the satisfaction of the Planning Board.

VII. SITE PLAN AND SUBDIVISION REVIEW COMMENTS

1. The applicant should provide testimony and the plans revised to address the proposed average illumination, which shall not exceed 2.0 footcandles as per §508.F(2), Lighting.
2. The plans should be revised to reduce the pole mounted light not to exceed twenty-five feet (25) feet as per §508.F(3), Lighting.
3. The plans should be revised to provide notations for the trash enclosure to include a solid gate and exterior covering compatible with that of the principal structure as per §510.L, Refuse/Recyclable Storage Areas.
4. The plans should be revised to provide new concrete curb for the thirtee (13) space parking area as per §516.A, Sidewalk, Curbs, Gutters, & Pedestrian Ways.
5. The plans should be revised to provide a detail of the proposed drive-thru lane crosswalk as per §516.A, Sidewalk, Curbs, Gutters, & Pedestrian Ways.

VIII. RECOMMENDATIONS

1. The Applicant must address the underlined comments.

I have no further comments at this time; however, I reserve the right to provide additional comments during the public hearing to advance the planning process.

PROJECT SUMMARY:

This application is for the construction of a 2,585 SF KFC (Kentucky Fried Chicken) restaurant and associated site improvements at an existing 36,659 SF commercial pad site at the commercial shopping center known as Gloucester Town Center. The project site is located on the northerly side of Berlin Cross Keys Road, west of Williamstown – Erial Road (CR 704) in the Township's NVBP New Vision Business Park Redevelopment Zoning District. The existing pad site contains a vacant Checker's restaurant building and associated parking lot. The applicant proposes to demolish all existing site improvements and to construct the KFC and associated site improvements and is seeking Preliminary and Final Major Site Plan approval.

WAIVERS / VARIANCES:

The following items from the Land Development Ordinance Submission Checklist have not been provided:

1. Checklist Item No. 5 - An Environmental Impact Report per § 816. *Waiver requested. Our office has no objection to this requested waiver.*
2. Checklist Item No. 9 – Delineation and calculation of wetlands. ***Waiver recommended for completeness only.***
3. Checklist Item No. 108 – An Environmental Constraints Map per §519. *Waiver requested. Our office has no objection to this requested waiver.*

The application will require the following design waivers:

1. §509 – "An off-street loading space shall be required for all buildings, for which it can be anticipated there will be receipt and/or shipment of materials by truck." The plans provided do not delineate a loading area. The applicant shall provide testimony.

It shall be noted that the applicant has requested variances for signage. Our office defers review of the proposed signs to the Township Planner.

GENERAL:

1. The plans shall note previous Planning Board approvals that would effect this application and list any previously granted waivers or variances for non-complying items.

2. The drive aisle shall be extended a minimum of five (5') feet to allow adequate exiting room for the parking stall closest to Berlin Cross Keys Road.
3. The applicant shall illustrate truck turning maneuverability on the plans to confirm the loading area and trash enclosure accessibility. The applicant shall also illustrate the maneuverability of emergency vehicles.
4. Building dimensions shall be shown on the Site Plan.
5. The stop sign at the entrance drive shall be labeled on the Site Plan.
6. A dimension shall be provided from the concrete pad of the trash enclosure to the closest adjacent property line.
7. The Site Plan shall provide a dimension from the existing curb line to remain to the closest adjacent property line.

PERFORMANCE STANDARDS (ARTICLE V):

A. Grading (Section 506)

1. Two permanent benchmarks and symbol in the legend shall be shown on the grading plan per §506.A(4).
2. As per section 506.A(7) "unless otherwise authorized by the approving agency engineer, existing grades shall not be changed within 5 feet of the boundary with an adjacent property." The grades along the entrance road from Berlin Cross Keys Road are being changed within 5 feet of the property line. The plans shall be revised to conform with the requirement or a waiver should be requested.
3. The flow arrows on the grading enlargement details shall be revised to point in the direction of flow.
4. The finished floor elevation of the proposed building shall be shown on each of the Grading Enlargement Details.

B. Off Street Loading (Section 509)

1. An off street loading area per § 509 (A) is not provided. The applicant shall provide testimony and a waiver shall be requested.

C. Off Street Parking (Section 510)

1. It is the applicant's responsibility to ensure that the site is in conformance with the American's with Disabilities Act (ADA) Accessibility Guidelines.
2. Striping shall be provided in the drive-thru area to define the bypass lane.
3. In accordance with section 510.M.(1). "The locations of fire lanes, to ensure the efficient and effective use of fire apparatus, shall be subject to review and approval of the Fire Marshal. Fire lanes shall be a minimum of eighteen (18) feet in width unless contiguous to an access aisle." There are no fire lanes shown on the plans, the applicant shall provide testimony.
4. In accordance with section 510.M.(6). "Parking areas buffering and landscaping shall be provided in accordance with the provisions of Section 505."
5. Pinned concrete wheel stops shall be provided at parking stalls that are not adjacent to full height curb for the entire length of the parking stall. Appropriate details shall be provided.

D. Sidewalks/Curbs (Section 516)

1. The plans shall indicate the width of all concrete curb islands.
2. The extents of the existing curb line to remain shall be labeled on the Site Plan.
3. The plans shall indicate a pavement width at all entrance drive.

E. Stormwater Management (Section 517)

1. The project will not cause a disturbance of more than one acre of land or an increase in impervious coverage of more than one quarter of an acre, therefore it is not considered a "Major Development" as defined by the New Jersey Stormwater Management Rules (N.J.A.C. 7:8) and this site is not required to comply with the NJDEP Stormwater Regulations for stormwater quantity and quality reductions.
2. The project will not cause a disturbance of more than one acre of land or an increase in impervious coverage of more than one quarter of an acre, therefore it is not considered a "Major Development" as defined by the New Jersey Stormwater Management Rules (N.J.A.C. 7:8) and this site is not required to comply with the NJDEP Stormwater Regulations for groundwater recharge.

3. The design engineer should revise the stormwater narrative to provide a comparison between the existing off-site runoff and the proposed off-site runoff.
4. The design engineer should provide a calculation to confirm that the proposed roof drain has capacity to handle the runoff from the building.

F. Utilities (Section 518)

1. The applicant is proposing public water service for the development. We defer to Aqua New Jersey for review of water improvements. The applicant shall provide the Township with a letter confirming connection, supply, and capacity are available from Aqua New Jersey.
2. The applicant is proposing public sanitary sewer service for the development. We defer to Gloucester Township Municipal Utilities Authority (GTMUA) for review of sanitary sewer improvements. Documentation confirming availability of sanitary sewer service for the project site shall be obtained from the GTMUA and submitted to the Township.
3. In accordance with section 518.A.2 "Hydrant locations are to comply with R.S.I.S. standards and with the requirement of the local Fire Code Official." The plans should identify where the nearest fire hydrant location is in conformance with this regulation.
4. The proposed water service utilizes an existing water main stub. The applicant's engineer should provide testimony as to the need for a new sanitary sewer connection when there appears to be 2 existing stubs for connection. If the existing stubs are not utilized then a note should be added to the plan that the contractor is responsible for ensuring that the stubs are properly sealed.

G. Traffic Impact Statement (Section 815)

1. The Trip Generation Analysis (TGA) prepared by Stantec indicates the application includes a proposed 2,585 square foot (SF) KFC fast food restaurant. The TGA also indicates the existing site was a 1,377 SF fast food restaurant and access would be maintained via internal roadway network lanes within the Gloucester Town Center. The TGA provides trip generation for both the existing and proposed fast food restaurants and concludes the additional trips generated by proposed KFC restaurant would have a minimal impact on the adjacent roadway network.

2. The applicant should provide additional capacity analysis with respect to approved/occupied land uses within Gloucester Town Center and the adjacent roadway network.

H. Environmental Impact Statement (Section 816)

1. The applicant has requested a waiver from the required Environmental Impact Statement. *Our office has no objection to this requested waiver.*

I. Details

1. The Trash Enclosure Detail shall be revised to provide a material for the type of fence.
2. A detail shall be provided for the proposed concrete sidewalk.
3. A detail shall be provided for the proposed concrete sidewalk adjacent to the concrete curb along the parking lot.
4. All sanitary sewer details shall be reviewed and approved by the Gloucester Township MUA.

OUTSIDE AGENCY APPROVALS:

This plan set may be subject to the review and approval of the following outside agencies. Evidence of these approvals must be submitted to the Township Planning Department and this office prior to the final signature of plans:

1. Camden County Planning Board
2. Gloucester Township Fire Marshall
3. Camden County Soil Conservation District
4. Gloucester Township Municipal Utilities Authority
5. Aqua NJ
6. Any other as may be necessary

Any and all approvals shall be conditioned upon the applicant addressing the above comments and any and all concerns of the Planning Board contained in the approving resolution.

III. APPLICATION SUBMISSION CHECKLIST

The Applicant has provided most of the checklist items in accordance with §817, Submission Checklist for a preliminary and final major site plan or has requested a waiver.

The Applicant must address the following omitted checklist items or request a waiver:

1. No application for development shall be considered complete until the applicant has calculated and delineated the area of wetlands based upon a methodology established by the New Jersey Department of Environmental Protection regulations (See §519) [Checklist #9].
2. The names, addresses, block and lot numbers of all property owners within 200 feet of the development [Checklist #33].
3. Appropriate places for the signature of the Chairperson and Secretary of the approving authority, the dates of the official approving authority actions, and dates of signatures [Checklist #55].
 - a. The plans should be revised to relocate signature blocks to an outside fold.
4. Fire lanes [Checklist #77].
5. Loading areas and number thereof [Checklist #80].
6. Site lighting in accordance with Article V of the Land Development Ordinance (i.e., photometric patterns and construction details [Checklist #91].
 - a. The plans should be revised to provide existing and proposed site lighting as per §508, Lighting.
7. For any storm drainage system, show the computations and any connection by the development to the existing storm drainage system [Checklist #104].
8. If private utilities are proposed, they shall fully comply with all township, county and state regulations. [Checklist #105].

IV. WAIVER COMMENTS

The Applicant's submission does not include any waivers from the ordinance checklist requirements.

V. VARIANCES COMMENTS

The application requires the following variances from the Land Development Ordinance based on scaled data from the sketch (survey) provided by the Applicant.

§413, Area, Yard, Height and Building Coverage

1. Parking setback: (2.3 ft. provided v. 25 ft. minimum required).

POSITIVE CRITERIA ("C1" and "C2" variances)

2. The Applicant must address and the Zoning Board of Adjustment consider the following in satisfying the positive criteria for the requested variance:
 - a. The Board has the power to grant a variance where by reason of exceptional narrowness, shallowness, shape, or topographic conditions or physical features, or an extraordinary and exceptional situation affecting a specific property, the strict application of the zoning regulations would result in peculiar and exceptional practical difficulties to or exceptional and undue hardship upon the development of such property (basis 40:55D-70c(1)).
 - b. Also, the Board has the power to grant a variance when the purpose of the Municipal Land Use Law would be advanced by the deviation of the zoning ordinance and the benefits would substantially outweigh the detriments (basis N.J.S.A. 40:55-70c(2)).

APPLICATION #20102815
PNC Bank, N.A. PNC Realty Services
BLOCK 20202, LOT 1
1485 Blackwood-Clement Road

NEGATIVE CRITERIA

The Board should not grant a variance unless it is clearly demonstrated that said variance can be granted without substantial detriment to the public good and will not substantially impair the intent and purpose of the zone plan and zoning ordinance (basis 40:55D-70).

VI. SITE PLAN WAIVER COMMENTS

It's recommended the plan be revised to address the following Land Development Ordinance requirements:

1. Revise and/or supplement the Blue Rug Juniper at the proposed trash enclosure with a taller evergreen tree to screen the enclosure from Little Gloucester Road to enhance the aesthetics of the development and the Township as per §507.A, landscaping.
2. Site lighting particularly in the following proposed revised site plan areas as per §508, Lighting:
 - a. Handicapped parking.
 - b. Concrete sidewalks.
 - c. Cross walk crossing the front of the existing drive-thru lanes.

VII. LAND DEVELOPMENT ORDINANCE COMMENTS

The Applicant is advised of the following additional requirements of the Land Development Ordinance:

1. *A soil removal plan if soil is to be removed from the site for use or sale other than the premises subject to this application as per §801.C, Soil Removal.*
2. *A grading plan prepared and sealed by licensed professional engineer as per §814, Grading Approval.*
3. *Affordable housing requirement as per §902, Affordable Housing Fees and Procedures.*
4. *Before recording final subdivision plats or as condition of final site plan approval or as a condition to the issuance of a zoning permit pursuant to N.J.S.A. 40:50D-65d the furnishing of a performance guarantee, maintenance guarantee, and inspection fees as per §903, Guarantees and Inspections and §904, Certification or Guarantee Required; Estimate of Guarantee.*
5. *Requirements precedent to construction as per §905, Pre-conditions to Commencement of Construction.*
6. *Construction of off-tract improvements as per §906, Off-Tract Improvements Recapture.*
7. *A zoning permit is required prior to the issuance of any construction permits from the Zoning Officer as per §1102, Permits, General, §1103, Zoning Permit.*

VIII. RECOMMENDATIONS

1. The applicant must address the underlined items listed above on the site plan.

I have no further comments regarding the application at this time. Should the Applicant have any questions or wish to schedule a meeting to review our concerns, please contact our office at (856) 374-3511.

PROJECT SUMMARY:

This application is for minor site improvements to an existing PNC Bank located on the northeasterly corner of Blackwood Clementon Road (CR 534) and Little Gloucester Road (CR 759). The site is an 1.249 acre parcel of land located in the Township's HC Highway Commercial Zoning District. The applicant is relocating the existing trash enclosure and reconfiguring existing parking and sidewalk to accommodate ADA improvements to the site. The applicant is requesting Minor Site Plan approval.

COMPLETENESS:

As this application is for minor site improvements to an existing site our office has no objection to waiving any of the checklist items that have not been provided by the applicant.

REVIEW COMMENTS:

Our office performed a site inspection on September 15, 2020 and have reviewed all information submitted for the application. We offer the following comments:

1. The required certified list of property owners within 200 feet of the site shall be added to the plans.
2. It is the applicant's responsibility to ensure that the site is in conformance with the American's with Disabilities Act (ADA) Accessibility Guidelines.
3. All proposed traffic markings and striping shall be thermoplastic or long life epoxy paint. A note shall be added to the plans.
4. Two permanent benchmarks and symbol in the legend shall be shown on the grading plan per §506.A(4).
5. The applicant shall provide testimony regarding the concrete curb to remain adjacent to the existing landscape bed along Little Gloucester Road.
6. Our office recommends the repair/replacement of the deteriorating curb adjacent to the sidewalk along Little Gloucester Road (see attached photo).
7. Our office recommends the elimination of the uneven sidewalk at the intersection of Little Gloucester Road and Blackwood Clementon Road (see attached photo).
8. The applicant shall provide a narrative of the project as it relates to the "major development" requirement from NJDEP and shall contain but not be limited to the existing and proposed drainage patterns and a comparison of the existing and proposed impervious coverage of the site.

OUTSIDE AGENCY APPROVALS:

This plan set may be subject to the review and approval of the following outside agencies. Evidence of these approvals must be submitted to the Township Planning Department and this office prior to the final signature of plans:

1. Camden County Planning Board
2. Gloucester Township Fire Marshal
3. Camden County Soil Conservation District
4. Any other as may be necessary
