SUBSTANCE ABUSE ADVOCATE

Professional Substance Abuse Advocate for the Gloucester Township Municipal Court and the Gloucester Township Police Department.

The Township of Gloucester is seeking proposals from qualified licensed professionals to provide information only regarding substance abuse treatment programs and services to defendants in Municipal Court as well those who are referred by members of the Gloucester Township Police Department. The selected professional shall provide the minimum services to “clients”, the Township of Gloucester, and the Gloucester Township Municipal Court as set forth below. A client shall include any defendant in the Municipal Court who may need information regarding substance abuse care, or any person seeking information regarding substance abuse care for him or herself or for another person from the Gloucester Township Police Department or another police agency.

The selected service provider shall provide the minimum services:

1. An advocate who will:

- a. Provide information regarding available substance abuse services to clients in Camden County and the surrounding geographical area.

- b. Collect client demographic information to assist in determining available resources and finding options.
- c. Utilize nationally practiced evidence-based screening tools to determine if clients are in need of an in-depth assessment. Such screening shall include, but are not limited to, the use of the CAGE, CASSIE, and MAST screening tools.
- d. Act as a communication link and advocate between the court and the client to include tracking the client care from the intake process to completion whenever possible.
- e. When requested and if directed by the Chief of Police, coordinate or assist with development and facilitation of a support group for loved ones of those suffering from addiction.

2. The selected service provider must have the following qualifications at a minimum:

- a.) Provide the advocate who must have a minimum of a bachelor's degree.
- b.) Provide the advocate who must be licensed as a Certified Drug and Alcohol Counselor by the State of New Jersey
- c.) Provide the advocate who must have a minimum of one-year experience as a service provider in "Drug Court" of the Superior Court of the State of New Jersey
- d.) As an agency, possess knowledge about the finding resources that are available to clients.
- e.) Experience in taking demographic information so that they may assess the clients finance, living situation, and legal problems so that they may better connect client with the funding streams that are available.
- f.) Possess working knowledge regarding services that are available through the state to help people that need substance abuse treatment. This will include knowing the intake numbers of residential and outpatient programs so that they may link client to the services that best suits their needs.
- g.) Be proficient in using evidence-based screening tools so that they may be able to know if clients need a more in-depth assessment. This is using but not limited to using the CAGE, CASSIE and MAST.
- h.) As an agency have a minimum of three years' experience as a service provider with "Drug Court" of the Superior Court of the State of New Jersey.
- i.) As an agency have experience in case management - i.e., going through the process of getting clients into treatment and navigating through the referral process and having the information ready for the referral agency.
- j.) Coordinate the communication between the courts and the treatment providers.
- k.) Track client care from the intake process to completion.

Scope of Services:

The provider will deliver such services for a total between 800- 1,500 hours per year and will provide the hourly rate for delivering such services. Exact hours will be determined by the Chief of Police in consultation with the Gloucester Township Municipal Court. The scope of services and payment for such services by the Township of Gloucester shall be limited solely to advocacy and not substance abuse or mental health treatment.

ENVIRONMENTAL ENGINEER

1.0 INTRODUCTION

The Township of Gloucester (“Township”) is soliciting Qualifications from interested persons and/or firms for the provision of **Environmental Engineering and Licensed Site Remediation**

Professional (LSRP) Services, as more particularly described herein.

2.0 SCOPE OF SERVICES

It is the intent of the Township to solicit Qualifications from Respondents that have expertise in the provision of **Environmental Engineering and Licensed Site Remediation Professional (LSRP) Services**. Firms and/or persons responding to this RFQ shall be able to demonstrate that they will have the continuing capabilities to perform these services.

ENVIRONMENTAL ENGINEERING AND LSRP SERVICES

- 1.) Appointment of Environmental Engineer. There shall be a Township Environmental Engineer who shall be appointed by the governing body and shall be under a contract for services to be performed. In lieu of appointing an individual, the governing body may appoint a firm the member of the firm acting as Township Environmental Engineer shall be a licensed Professional Engineer, and a LSRP in the State of New Jersey.

The Environmental Engineer shall perform such duties as:

- A. Oversee the remediation of municipal contaminated sites in connection with a redevelopment project in the Township of Gloucester in accordance with the New Jersey Department of Environmental Protection’s applicable standards and regulations for responsible parties.
- B. The Township Environmental Engineer shall perform such duties as are prescribed by general law, ordinance, and the New Jersey Department of Environmental Protection Site Remediation Program.
- C. Provide technical advice and assistance to other Township departments as needed. Maintain all papers, documents, memoranda, reports and other materials relating to the administration of the duties of the Township Environmental Engineer. Upon the termination of his services with the Township, the Township LSRP shall forthwith surrender to the Township all such property.
- D. Attend Township meetings as requested by the Mayor and Council.
- E. When directed by the Mayor and Council, the Township Environmental Engineer shall

provide studies requested by the Mayor and Council.

- F. Provide technical advice and assistance to other Township departments as needed.

3.0 SUBMISSION REQUIREMENTS

The applicant/proposer shall in response to the Township's RFQ, at a minimum, include the following information:

- A. Qualification requirements to compete for the needed service or activity as set forth in the "duties and responsibilities" of the position defined in the Township's RFQ. Qualifications, at a minimum, shall include requirements defined as follows:
 - 1. Name and contact information for the firm submitting the RFQ, and the name of the key contact person.
 - 2. List and/or organizational chart identifying key personnel.
 - 3. Resumes of key personnel. Resumes should include post-high school education, professional affiliations and memberships, and relevant experience.
 - 4. Copies of current professional licensure and certifications, including Professional Engineer and LSRP licenses.
 - 5. A description of the firm's overall experience in providing the type of services sought in the RFQ.
 - 6. References, including dates served and contact information
 - 7. Identification of proposed subcontractors and description of services to be provided.
 - 8. New Jersey Business Registration Certificate.

4.0 EVALUATION CRITERIA

Qualifications will be evaluated by the Township based on the most advantageous, all relevant factors considered. The Township will solicit Proposals from the firms deemed most qualified. The evaluation will consider:

- 1. Experience and reputation in the field;
- 2. Knowledge of the Township and the subject matter addressed under the contract;
- 3. Availability to accommodate the required meetings of the Township; and
- 4. Other factors demonstrated to be in the best interest of the Township.

LANDSCAPE ARCHITECT

1.0 PURPOSE

The intent of this Request for Qualifications and Proposals and resulting contract is to obtain park design, redesign, upgrading, architectural and landscape design services for Gloucester Township's existing and/or proposed parks, recreational areas and open space. While there are no specific locations identified in this proposal, the scope of the services may include but not be limited to Open Space, environmental, sustainability and walking path designs.

The successful firm and proposer shall be able and willing to work with the Township, residents, neighborhood groups and committees, stakeholders and interested parties to solicit input and engage the identified committee members in the plans and proposals for open space upgrades. The successful firm shall also be capable and competent in determining the site conditions, environmental conditions and sustainable design elements necessary to ensure it is attractive, safe and useful to the residents. Services to be performed include but are not limited to: Community parks, bike paths and walking paths and athletic field design, geotechnical, environmental and engineering site design, landscape architecture, property and right-of-way identification. Tot-lot and neighborhood park design and redesign should also be considered as services necessary.

2.0 COMPLIANCE WITH LAWS

The successful firm(s) shall comply with all applicable federal, state and local statutes, rules and regulations.

3.0 CRITERIA FOR EVALUATION OF PROPOSALS

The governing body will independently evaluate each submission and selection will be made upon the basis of the criteria listed below:

- 3.1 Proven record of experience, including referrals, in providing the type of services detailed herein.
- 3.2 Ability to provide services in a timely manner.
- 3.3 Personnel qualifications (i.e.: resumes of key personnel who will be responsible for and assigned to the work).
- 3.4 Location of office and availability of personnel.
- 3.5 Understanding of the services requested (including completeness and clarity of submission), and qualitative nature of the services proposed. Cost of services (i.e. price proposal).
- 3.6 Cost of Services (i.e. price proposal).

SPECIAL PROJECTS ENGINEER

GENERAL CRITERIA: The Township of Gloucester desires to appoint a firm or firms to

provide special engineering projects and or services to the Township. Applicants should demonstrate knowledge and experience with respect to all aspects of engineering services required by a municipal entity. Any experience or knowledge of matters that directly affect the Township of Gloucester should be addressed.

MANDATORY MINIMUM REQUIREMENTS:

- A. Not select any of the proposals.
- B. Select only portions of a proposer’s proposal for further consideration; (However, proposers may specify portions of the proposal that they consider “bundled”.)
- C. Award a contract for the requested services at any time during the calendar year after all RFQ’s have been reviewed and a list of qualified planners selected by the Township. Every proposal should be valid through this time period.

The Township shall not be obligated to explain the results of the evaluation process to any proposer.

The Township may require proposers to demonstrate any services described in their proposal prior to award.

PROPOSAL LIMITATIONS: This RFQ is not intended to be an offer, order or contract and should not be regarded as such, nor shall any obligation or liability be imposed on the Township by issuance of this RFQ. The Township reserves the right at the Township’s sole discretion to refuse any proposal submitted.

USE OF INFORMATION:

Any specifications, drawings, sketches, models, samples, data, computer programs, documentation, technical or business information and the like (“Information”) furnished or disclosed by the Township

to the proposer in connection with this RFQ shall remain the property of the Township. When in tangible form, all copies of such information shall be returned to the Township upon request. Unless such information was previously known to the proposer, free of any obligation to keep it confidential, or has been or is subsequently made public by the Township or a third party, it shall be held in confidence by the proposer, shall be used only for the purposes of this RFQ, and may not be used for

other purposes except upon such terms and conditions as may be mutually agreed upon in writing.

GENERAL TERMS AND CONDITIONS:

- A. The Township reserves the right to reject any or all proposals, if necessary, or to waive any informalities in the proposals, and, unless otherwise specified by the proposer, to accept any item, items or services in the proposals should it be deemed in the best interest of the Township to do so.
- B. In case of failure by the successful proposer, the Township of Gloucester may procure the articles or services from other sources, deduct the cost of the replacement from money due to the proposer under the contract and hold the proposer responsible for any excess cost occasioned thereby.
- C. The proposer shall maintain sufficient insurance to protect against all claims under Workmen's Compensation, General, Professional and Automobile Liability.
- D. Each proposal must be signed by the person authorized to do so.
- E. The contract shall be in effect through December 31, 2022 unless otherwise stated.
- F. Proposals may be hand delivered or mailed consistent with the provisions of the legal notice to proposers. In the case of mailed proposals, the Township assumes no responsibility for proposals received after the designated date and time and will return late proposals unopened. Proposals will not be accepted by facsimile or e-mail.
- G. In accordance with Affirmative Action Law, P.L. 1975, c.127 (N.J.A.C. 17:27) with implementation of July 10, 1978, successful proposers must agree to submit individual employer certifications and numbers or complete Affirmative Action employee information reports (form AA-302). Also, during the performance of this contract, the contractor agrees as follows: (a) The contractor or subcontractor where applicable, will not discriminate against any employee because of age, race, creed, color, national origin, ancestry, marital status or affectional or sexual orientation. The contractor will take affirmative action to ensure that such applicants are recruited and employed and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex or handicap. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and section for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notice to be provided by the Public Agency Compliance Officer setting forth provisions of this non-discrimination clause: (b) the contractor or subcontractor, where applicable, will in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex or handicap; (c) the contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or worker's representative of the contractor's commitments under this act and shall post copies of the notice; (d) the contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the treasurer pursuant to the P.L. 1975, c.127, as amended and supplemented from time to time.

- H. By submission of the proposal, the proposer certifies that the service to be furnished will not infringe upon any valid patent, trademark or copyright and the successful proposer shall, at its expense, defend any and all actions or suits charging such infringement, and will save the Township harmless in any case of any such infringement.
- I. No proposer shall influence, or attempt to influence, or cause to be influenced, any county officer or employee to use his/her official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.
- J. No proposer shall cause or influence, or attempt to cause or influence, any county officer or employee to use his/her official capacity to secure unwarranted privileges or advantages for the proposer or any other person.
- K. Should any difference arise between the contracting parties as to the meaning or intent of these instructions or specifications, the Township Law Department's decision shall be final and conclusive.
- L. The Township of Gloucester shall not be responsible for any expenditure of monies or other expenses incurred by the proposer in making its proposal.
- M. The checklist, affidavits, notices and the like presented at the end of this Request for Qualifications are a part of this Request for Qualifications and shall be completed and submitted as part of this proposal.
